

A Transformational Journey for Women

African Fire/Water Ceremony

Friday 16th – 18th September

Booking required by 10th September

This is a residential weekend

\$240

In Indigenous cultures throughout the world it is understood that each of us are born with a unique gift to share with our community, these ancient ceremonies facilitate that discovery, heal old ancestral wounds and support us to live authentically and to our full potential.

Cate is a Transpersonal Counsellor and was initiated in the African Prophet/Healer Tradition in 2004 and asked to share these ceremonies with all people no matter their race or spiritual pathway.
