

~ Fire & Water Ceremony ~

Prayer of Thanks

Spirit of the Earth our Sacred Ground, where hearts are mended and friends are found

All the Elements are seen and felt, Chants are heard aromas smelt

Women with Spirit, Women with Soul, they unite together, as one they are whole

Mothers, Grandmothers, Sisters and Kin, Lakshmi, Budha, Goddess, Quan Yin

With the music in our voices, the beat of our drum, our Spirits are awakened, our Ancestors come

All of those that walked this Earth, In love and compassion, in death and rebirth

Fire and Water, ceremony we embrace, we give thanks to the Spirit for this Sacred Space

For all the gifts of today and tomorrow, our love you can share, our hearts you can borrow

The calm of your Moon, the Wind thru your trees, the warmth in your Fire, your Gentle Breeze

The Sunshine, the Eclipse, the colours in your Sky, the Gift of a Rainbow, sending our Spirits high

For each beautiful Woman you guided here, in Faith, in Love, in Trust and in Fear

We are blessed children, Sisters in ritual, our voices are heard our growth is habitual

Together we walk, hand in hand, side by side on our Precious Land

We walk in Truth, in Spirit and Knowing, our sparkling eyes, our faces glowing

The Beauty, the Goddess, the Light I see, My Self in you and Your Self in me

I give you Gratitude, I give you Grace, I give thanks to the Universe, for this beautiful race

For our colourful people, wise women and men, Sen'a, Shanti, Aloha, AMEN.
